"Thor has demonstrated solid top line revenue performance in the quarter and nine months ended April $30^{\text {th }}$, driven by improving RV and bus markets," said Peter B. Orthwein, Thor Chairman \& CEO. "The RV market continues to show retail sales improvement through May and the bus industry is also on an upward trajectory from last year. While Thor's earnings and EPS are somewhat better than last year in both the third quarter and the fiscal year to date, the elevated RV promotional environment has thwarted further margin expansion. We are working diligently to improve our margins," he added.

Thor is the world's largest manufacturer of recreation vehicles and a major builder of commercial buses and ambulances.
